REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claim 16:

The examiner agrees with applicant's assertion that Mead et al (US Patent No. 2,770,924) is not a "shot-peening" apparatus, rather a blast cleaning apparatus. Examiner agrees with the applicant that shot-peening is not the same as blast cleaning and therefore overcomes the previous rejection of Mead in view of Russel. Furthermore applicant's argument, that the addition of an elongated helically wound wire taught by Russel to the apparatus of Mead is impermissible hindsight, is convincing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Christopher M. Koehler whose telephone number is (571) 272-3560. The examiner can normally be reached on Mon.-Fri. 7:30A-4:00P.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, David Bryant can be reached on (571) 272-4526. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
